

Access Statement for Rowan Humberstone Ltd

At Rowan Humberstone Ltd, we are dedicated to creating an environment that is inclusive, welcoming, and accessible for all individuals. Our mission is to ensure that everyone, regardless of their abilities or circumstances, feels valued and can participate fully in our activities and services.

To achieve this:

- We provide accessible facilities, including good wheelchair access to all our spaces. Our arts centre is on a single floor with sloped entry and smooth transitions between rooms. We provide 3 accessible toilets with handrails and lowered sinks as well as a changing table and hoist. We have a disabled parking bay directly outside of our building as well as a drop kerb to allow easy access to the building. Some of our studio spaces have adjustable desks to allow for flexibility in height.
- We are committed to clear and open communication. If required, information can be provided in alternative formats, such as large print, or digital media, or easy read.
- Our team is trained to assist and support individuals with diverse needs, ensuring a respectful and supportive experience for all.
- We welcome feedback on how we can further enhance accessibility and encourage dialogue to continuously improve.

If you have any specific access requirements or need further information, please do not hesitate to contact us at 01223 566027 or info@rowanhumberstone.org.uk
